Clerk has presented to the Governor bills read earlier on Final Reading this morning. (See page 2667 regarding LBs 561, 561A, 564, 564A, 598, 598A, 603, 603A, 639 and 639A.)

LB 656 is reported as correctly enrolled, Mr. President.

Mr. President, an announcement from Senator Lamb, the Transportation Committee will meet at one-fifteen in Room 1520, Transportation Committee, Room 1520 at one-fifteen.

PRESIDENT: While the legislature is in session and capable of transacting business, I propose to sign and do sign LB 656A, LB 784, LB 656, LB 451, LB 298, LB 480, LB 736, LB 736A, LB 767, LB 767A. Are we ready to move on to number 6, Mr. Clerk, the suspension of rules motion?

CLERK: Yes, Mr. President. Mr. President, Senator Lynch would move to suspend Rule 6, Section 7, so as to permit consideration of bills 182 through 652 on Final Reading today.

PRESIDENT: Senator Lynch, please.

SENATOR LYNCH: Mr. President and members, Article III, Section 14, of the Nebraska Constitution requires that all bills have to sit on Final Reading for one legislative day before they can be voted on for passage. Our rules, our legislative rules, Rule 6, Section 7, require that all bills sit on Final Reading for two days before being voted upon. And what this motion simply does is suspends the legislative rules requiring that a bill on Final Reading to sit two days and would allow us to vote on all the bills which have been on Final Reading for the constitutionally required one day. So I would respectfully move to suspend Rule 6, Section 7, and permit consideration of LBs 182, 279, 390, 390A, 408, 416, 462, 462A, 474, 635, 638, 638A, 642, 652 and 684. (See page 2667 of the Legislative Journal.)

PRESIDENT: You have heard the motion. All in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 34 ayes, 0 nays, Mr. President, on Senator Lynch's motion to suspend the rules.

PRESIDENT: The rules are suspended. Are you ready to go on to LB 182 with the emergency clause attached?
